

Greetings! to all that are paying attention to this message, today we are going to speak on “The Mark of the Beast” part 2.

If a person can distinguish between reason and instinct, he can easily understand, what the mark of the beast is. Reason is the faculty that allows a person to calculate the outcome of an action that is taking place in the mind. Notice that I am speaking, of an action that is not yet finished. An action that is existed in the spirit, but not yet completed in the body. Jesus says that, anyone who is lusting after a woman, meaning, craving with strong desires, already committing adultery with her in his heart (Matthew 5:23). Actions are movements that are happening in the spirit, invading the heart, before passing into physical phases. Well, this is where reason plays an important role. Reason will allow you to guide all ideas in the right direction, for an enjoyable result. Reason is the ability to imagine where an idea can lead. Reason allows you to see what may happen in the future. Therefore, you can see the beginning and the end of any incoming. Instinct in the other hand, does not have these abilities. Instinct cannot see any further than the end of its nose. Instinct cannot make any predictions. Instinct cannot avoid any problems. Only when instinct hits with an obstacle, and another instinct commands him to run. God created humans to live with reason, and thus created animals to live with instinct. But when a person loses reason, he loses the nature that God created him to live upon, and he adopts the animalistic nature. Satan is the first to lose reason. He said he will rise, to the heights of God; and even thought, he could sit in the throne of God the Father. When God, looking at the thoughts of Satan, God sees that Satan cannot make head or tail out of his own deception. God perceives that Satan is blind, he does not know where he is going, he cannot understand where his thoughts are leading him, he cannot see the forest for the trees, because he cannot make any predictions. God knows that Satan is acting by instinct. As Satan is a spirit, no one can see him; but everyone is able to see and understand the actions of an animal; so, in order that we may comprehend what the deeds of Satan represent before God, He declares that Satan is an animal. So, there is no differences, between the actions of Satan, and the performances of an animal. Therefore, anyone who accepts Satan as a model, changes his nature into a beast; and then, obtains the mark of the beast, in the right hand or on the forehead.

Today we are going to speak on 666, the mark of the beast. We have heard people say: you are a beast walking in the flesh of a man. Statement like this, declares that this person is not acting as a human, but rather as an animal. Well, let me tell you that our thoughts, beliefs, and convictions, are the ones that are guiding our actions. The apostle Paul was about to establish a Church in Crete, and he gave to Titus the responsibility to appoint Bishops, who will play an important role in the teaching of the gospel in Crete. After the Apostle has given, to Titus all the necessary instructions, to choose the right leader to put in the head of the church, he did not forget to remind him to be very strict with the Christians in Crete, because the Cretans could not restrain the mouth. They are constantly lying. The Apostle himself did not say that. It is a prophet of their own who made that statement, and the Apostle just confirmed what the prophet had said, it reads:

*One of themselves, even a prophet of their own, said, The Cretans are always liars, **evil beasts**, slow bellies. [Titus 1:12](#)*

*What I would like you to comprehend, is the fact that the prophet equalized all liars with **wicked beasts**. This means there is no difference between the liar and an animal. Why? Because animals, always deceived themselves. What their instincts showed to them, is not what it is at all. Likewise, liars constantly deceived themselves; even though they know that the lie will not get them far; they always think, they can trick others. Satan was the first to deceive himself. That is why, he is the father of lies. He convinced himself, he could be like God, what he understood, was not that at all.*

he deceived himself, he deceived a third part of the angels of heaven, he deceived our mother Eve, who herself deceived her husband, and they themselves deceived their children. Since then, from generation after generation, Satan’s lies make his way to the heart of man. God declares that Satan is a beast because he deceives himself with his own lies. When someone takes Satan's lies as truth, he welcomes his spirit and therefore receives the mark of the beast.

Why do you think people lie? Folks do not like to be ashamed; we do not like to feel weak; we do not like to be disbelieved and rejected. We are afraid of reproach; we are afraid of judgment. Unfortunately, we are not perfect. Our actions always drag and drop bad memories before us, and brings about judgement upon us and causing terrifying fears. So to avoid all that, we use lies, which are tools that do not project what we do the way they come to pass but given to them a form that corresponds to the image we want to sell. Like this, they will applaud us, they will compliment us, and we will feel glorified, while we are deceiving ourselves, along with all those who are hearing and following us.

In Isaiah 1:18, God the Father invites us to sit together; sit down to reason together. Listen! If we accept this invitation, I am convinced that we will know, where we are coming from and where we are going. That way we will be able to avoid the mark of the beast, the name of the beast and the number of the beast.

These marks are nothing else but a mark that identifies who we really are, a mark that let us understand which team we belong to, a mark that reveals in which family you are coming from, what is your last name. Listen, my father's last name is Jocelyn, so I am a Jocelyn, and I am from the Jocelyn's family. It means, that my father is the father of all the Jocelyns, and all my father's children are Jocelyns as well. Luci father's last name is Deceiver, so Luci is a Deceiver, and Luci is from the Deceiver's family. It means, that Luci's father is the father of all the Deceivers, and all of the Luci father's children are Deceivers as well. Malin father's last name is Liar, so Malin is a Liar, and Malin is from the Liar's family. It means, that Malin's father is the father of all the Liars, and all of the Malin father's children are Liars as well. For those who are listening now, here's what I wanted to tell you, I wanted to remind you that Satan is the father of lies, his last name is Liar, and that whoever lives in lies, is a child of Satan; he belongs to the family of Satan, his last name is Liar. He inherits the mark of Satan, which is the mark of the beast.

Verse 18 calls on our wisdom to understand the relationship between the **number of the beast**, and **number of man** and **666**; hear this!

Here is wisdom. Let him that has understanding **count the number of the beast: for it is the number of a man; and his number is six hundred three score and six.** Revelation 13: 16 to 18

The Word says Let the one who has understanding **calculate the number of the beast**. Since then, all the churches pick up pencils and calculators to calculate the number of the beast. But they can never conclude, because each religion comes with its own calculations, and confusion invades all of them because none of them has ever come to understand what they are saying. None of these interpretations have ever brought light, so that the hearers can have a clear and complete idea of the number of the beast. Instead they fall into more confusion; and cannot make neither head nor tail of all these false proclamations. Why? Because either the teachers or the students receiving these false teachings, forget that the word said it is for the one who has understanding, to calculate the number of the beast. Meaning the one who is very wise. Not people with great titles and high places in the church, or those who read great books and scholars with great knowledge; but, it is given to the wise to calculate the number of the beast. There is no mathematical formula, no calculator, and no computer that can calculate the number of the beast. In that condition, how can we understand these things? Well, let me tell you, Only the Holy Spirit of God can reveal them to you. Myself I cannot. All I can do, is to share my convictions with you. If you understand them as I do, we have the same spirit that is teaching us. If you see them differently, the spirit that is teaching us is just different.

To know the number of the beast you need to know the name of the beast. We all know that the devil is the beast. Speaking of the name of the beast is speaking about the name of Satan. My father is the father of the Jocelyns, everyone in his family is a son or a daughter of Jocelyn, their last names are Jocelyn. Satan is the father of lies, everyone in his family is a son or a daughter of lies, their last name are Lies. If you would like more information on the name of the beast, refer to message # 5 »The beast or the spirit of lie«. Verse 18 is the last verse in chapter 13 of the book of Revelation. But it is the verse that Christians have most difficulty to understand. This verse has three points of which there is a capital importance: 1st) the word says: Let him that has **understanding calculate the number of the beast**. If you do not have understanding, if you are not wise, you will not be able to calculate the number of the beast. 2nd) The word equalizes the **number of the beast** with the **number of a man**. There is no difference, between the number of the beast, and the number of a man. 3rd) Scripture even tells us what number is the number of a man; this number is **six hundred and sixty-six**. God tells us if we do not have understanding, if we do not have wisdom we will never be able to comprehend that whether it is a beast or a man, they both have the same number this number is six, six, six. Men are using everything in their power to calculate the number of the beast, the only means they are not using is wisdom, the understanding that God requires for us to have. That is why there is that many confusions. Without wisdom we are guessing, and guesswork is a bunch of presumptions of our own imaginations.

Let us take the first part: let the **one who is blessed with understanding calculate the number of the beast**. The question is how to calculate the number of the beast? Listen, Satan is the beast; his name is Mr. Lies; if you tell Satan, you tell Lies. This means, the **number of the beast = the number of Satan and = the number of lies**. So, what is the number of the beast? If you have no desire, to do the same as all the other churches, utilizing Greek, and Hebrew, and Roman's gematria calculator, to assign numerical value to letters, words, and phrases, to come with the number 666 or pointing fingers at the Popes, you do well, because these teachings alone represent distortion that Satan is using to distract people from the truth. Here is what this revelation says, it says that Satan, who is the father of lies, and all who belong to the family of lies, have a number of incalculable lies they can tell and dissimulate. The number of the beast is the number of lies. It is not a number that human intelligence can calculate. Only he who has understanding, will comprehend how to expose the number of false claims; misleading words that are clogging the mind. The only way to escape these never-ending lies is when you know the truth of God the Father.

Jesus said, And you shall know the truth, and the truth shall make you free. ^{John 8:32}. Only Jesus, the word of truth, can free us from the number of the beast; only Him can liberate us from these endless lies.

Secondly, the Word equals the number of the beast with the **number of a man**. This is an undeniable truth. Remember that the number of the beast is the number of lies. Think about it, lies are told by human. Satan is a spirit, the spirit of lies. He is using the channels of man to spread his lies. When a person receives Satan's spirit, he received the spirit of the beast, a twisted tongue is given to him, he lost reason, and acted by instinct like an animal. The number of lies a person can tell during his existence is uncalculable. If you wanted to add a number in front of his lies, I do not know what number that would be. A liar takes a double pleasure to deceive. From sunrise to bedtime he never stopped lying. Someone like that is not different from Satan. The number of Satan, the number of the beast, is the number of that individual as well. No, it is not the Pope's number, it is not the number of Sunday's worshiper. It is the number of all who reject the truth of God (Jesus Christ), but welcome the lies of Satan as truth, like Eve did.

3rd) The number of the beast is not an unknown number. We have all heard of 666. This number is the result of the equation that God Himself calculated for us, so we are not wasting time in making false calculations. Listen! An equation where **X = to Y, and y = Z**, is an equation where all the variables are equal to each other. This means that regardless of the value you give **X**, this value will be equal to **Y**, and equal to **Z**. **Let us say that X = 666, we already know that Y = 666, and Z = 666 as well.** In verse 18, the equation was presented as follows: **If we look closely at the verse, we will see that the number of the beast, equals the number of a man, and the number of a man, equals 666.** There is no doubt that the **number of the beast is 666**; similarly, the **number of a man**, is also **666**. The question is, why do man and animal have the same number? It is very simple. God created man and animal on the same day. On the sixth day. Here, is the calculation, that God asked the wise to do: neither man nor animal, they were created in three-person. Whether it was a man or an animal, they both have a **soul**, that was created on the **sixth** day; a **body** that was created, on the **sixth** day; and a **spirit, that** was created, on the **sixth** day. Thus, the number **666**, associated a **6**, to each part that composes the trinity of either a man, or an animal. **A 6, for the soul that God created on the sixth day. A 6, for the body created, on the sixth day. A 6, for the spirit created on the sixth day.** Remember that God commanded other authorities, to participate in the creation of man along with Him. These authorities are God the Father, ordering the Son and the Holy Spirit to create man in their own images. But man abandoned his original position, to follow Satan in the disobedience, that qualified him as the most deceitful beast in the field. Solomon in the book of Ecclesiastes (3:18), says that there is no difference between a man and a beast. Revelation 13:18 says, that man and beast have the same number.

There is only one way that a person can differentiate himself from an animal, is when that person is in Christ. Like Paul said: ... if any man be in Christ, he is a new creature: old things are passed away; behold, all things are become new. ^{Second Corinthians 5: 17}. **Then this man passed from natural to spiritual man. His number is no longer 666 but he is 777, because he was Gifted with a perfect soul, a perfect body, and a perfect spirit. But understand, a beast cannot go to Christ, his soul cannot experience any changes. This is what happens when someone decided not to go to Christ, this person identifies himself as a beast with a soul that cannot undergo any transformation. That person along with an animal have the same number; before God the Father they have the same identity, they are both animals. One, is a four-footed beast and the other is just a two-footed one. It is in this condition, that either man or animal have the same identification number, 666.**

Before I go, let me remind you what verse 17 says: No one should be able to **buy** or **sell**, unless he has the **mark**, or the **name of the beast**, or the **number of his name**. The verse tells us that a person should not be able to buy or sell if one of these conditions are not met: it is either you receive the **mark of the beast**, or the **name of the beast**, or the **number of his name**. Understand that selling and buying, always demonstrate trade relationships existing between two groups. One group is selling, and another group is buying. The seller is receiving money, while the buyer is spending some. The seller would like to increase his selling, in order to make more profit. At the same time, the buyer would not want to spend too much, so as to control expenses. And this is where the problem resides! In the midst of selling and buying there are many personal interests, that condition the transactions: one group wants to make good profit, and another group does not want to overspend. For these reasons, they are not being truthful to one another, so as to protect their own interests. It is a liar deceiver relationship; these relationships exist wherever there are economic activities. We find them among doctors and patients, lawyers and clients, big and small business owners. We hear about car salesmen, real estate agents, preachers, politicians and so on. Why do you think that in all sectors where people involve in selling and buying, lies always stand as commander in chief! Well that is because everyone is defending their ego! It has become almost impossible for us to practice the second commandment that Jesus gave to us, when He said in Matthew 22:39, to love our neighbor and as we love ourselves.

This command is the key to all of our problems. Without love for our neighbor, our relationship will always base on lies. None of us will ever trust one another, so much we love to deceive. Indeed, the seller lies, but the buyer himself believes in the lies.

This is the physical aspect of the question, but how do we understand these things spiritually!

It is simple. All these relationships exist because of word. If there are no words, there will be no hearing. If there is no hearing, there will be no understanding; and if there was no understanding, there would be no belief whatsoever. Whether it is on TV, radio, internet and books, it is word that is ruling. Even the images that we are looking at, express a silent word. Listen, people sell words, and they buy words as well. When someone is expressing his or her convictions, he or she is selling his ideas; those who believe in these ideas, buy the words. The Americans, when they are in disagreements with your ideas or words, they will tell you to do not give that to them! Or they will say "I am not buying this!". When you decide to believe in someone's words, you buy the words, and that person himself sells them to you. Satan sold his lies to Eve, and Eve believed, and she bought them, and advertised Satan's lies to her husband. The husband believed, and bought them as well; today, the whole world inherited Satan's lying business. God exhorts you not to believe in these lies, if you do, the spirit of Satan will dwell in you, he will put his seal on you, he will write his name on you, and mark in your heart or your forehead the number of the beast, 666. Remember I spoke of the cargo of lies that the second beast is shipping to sell to all nations of the earth. Well, when someone believes in these lies, he buys them. Nobody will neither buy nor sell, if they do not convince themselves, that the goods and services that they are buying or selling are good.

God wanted us to understand, that we cannot remain honest in our relationship with each other, as long as we live in lies, as long as we live in rebellion. Rebellion divides, it gives birth to Satan, who himself creates disobedience. Jesus Christ Himself become perfect because he learned to obey to his Father in all that he does. The only way to become as perfect as Jesus is when that person becomes obedient; thus, in Christ, he will have the power to become a child of God.

Let me remind you that the mark of the beast is the mark that identifies a person as a liar. The name of the beast is the name of Satan who is the father of lies, whose last name is Mr. Liar. All the members of the beast's family shall bear the name of the beast, and they are sons and daughters of the Liar. The number of the name of the beast is 666; 666 is the number of all those who have the highest degree in lies. Satan gives them a doctorate certificate in lies; and, in their certificates, he wrote:

Upon the recommendation of my spirit, I conferred on you the degree of doctor of lies, you recognized and accepted my lies for the truth, you carried them in all your heart, and in your soul and your mind, you will represent me wherever you go. As myself, you are a beast, your soul will never be able to change.

Here is what Jesus said concerning those who belong to the family of the devil:

You are of your father the devil, and the lusts of your father you will do. He was a murderer from the beginning, and stayed not in the truth, because there is no truth in him. When he speaks a lie, he speaks of his own: for he is a liar, and the father of it.

Listen to what the warning voice of the Lord said:

...If any man worship the beast, and his image, and receive his mark in his forehead, or in his hand,

The same shall drink of the wine of the wrath of God, which is poured out without mixture into the cup of his indignation; and he shall be tormented with fire and brimstone in the presence of the holy angels, and in the presence of the Lamb:

And the smoke of their torment ascends up for ever and ever: and they have no rest day nor night, who worship the beast, and his image, and whoever receives the mark of his name. Revelation 14: 9-11

May the one, who have ears to hear, hear what the Spirit says to the children of God!

Amen!
